- 2) One Glaze brush –Size 1/2" - any soft, 1/2" flat wash brush for watercolor. Can be synthetic if soft and pliable.

## OTHER SUPPLIES:

- 1) One 4" x 5" traditional gesso panel will be available for you to purchase at the first class. These are NOT acrylic gessoed panels—no substitutions will work for purposes of this class. If you have experience in the medium you may want to buy a panel ahead of time and start (or complete) your ink drawing on it. If you wish to do that, they are available only at <http://www.truegesso.com>. (Note: because these panels are hand-made to order, shipment turnaround and delivery can be slow, so please order early!)
- 2) One rounded tip palette knife.
- 3) One white ceramic dinner plate for secondary palette.
- 4) A lidded container to keep yolk mixture in (can be a 35mm film can)
- 5) Medium size plastic cups
- 6) Container for water
- 7) Suggested text: The Practice of Tempera Painting by Daniel V. Thompson available at Amazon.

Pigments, eggs and primary mixing palettes will be provided.
