

## OIL PASTEL SUPPLY LIST – WINTER 2019

Several brands of oil pastel will be available for student use in the classroom. If you wish to purchase your own, I recommend either of the following mid-range brands:

- 48 piece Mungyo Gallery Soft Oil Pastels (available at Amazon and Jerry's Artarama, not Dick Blick, and not locally)
- 25 piece Sakura Cray-Pas "Expressionist" Oil Pastels (available at Dick Blick—Michael's out of stock online as of 11/12/2018).

A pad of white drawing paper, 14" x 17", such as Strathmore 400 series (it is important that the paper have some tooth to it). These are available online at [dickblick.com](http://dickblick.com) and [jerrysartarama.com](http://jerrysartarama.com), among others, and also locally at Michael's and Hobby Lobby.

Individual sheets of better-quality paper will also be available for purchase from the teacher.

Pencil and eraser.

Drawing board of some kind, as large as is comfortable to handle. Available locally or online. (Dick Blick offers a 23 ½" x 26" for \$13.59)

Masking tape.

Odorless mineral spirits (Turpenoid, Mona Lisa, or Gamsol are available locally. All are equally good—go with the lowest price).
